

PACE AWARDS NOMINATION FORM

What are the **PACE** Awards?

A recognition program for employees and contractors living our organizational values of **PEOPLE, ACCOUNTABILITY, CULTURE, and EQUITY**. All employees are encouraged to submit a nomination. A screening committee will review all nominations. **PACE** Awards will be nominated monthly (one) and annually (four - one for each value).

What are our organizational values and why do they matter?

Our organizational values guide the work we do. It's how we do things around here.

At Fort McKay First Nation, we value **PEOPLE, ACCOUNTABILITY, CULTURE, and EQUITY**.

How do we live our values?

We all have jobs to do, but it's how we do them that really matters. When we live our organizational values, people feel valued and respected, we understand how we contribute to the organization's goals, the people we serve trust us, we are known as a good place to work, and the work we do reflects the culture and priorities of the Nation.
